The Boy Scouts of America is committed to your success as a volunteer while serving young people. To help you be successful there are training materials designed for you.

Every Boy Deserves a Trained Leader

First things first! There are two types of training to begin your road to success. They are Fast Start Orientation, which presents a quick introduction to get new volunteers ready for your first meeting or activity, and Youth Protection training.

What Is Youth Protection Training?

We seek to create as safe an environment as possible for young people to enjoy our program's activities. The Boy Scouts of America Youth Protection training addresses strategies for personal safety awareness for youth as well as adults. Age-appropriate programs and DVD materials include:

- Youth Protection Guidelines: Training for Volunteer Leaders and Parents—Adults come away with a much clearer awareness of the kinds of abuse, the signs of abuse, and how to respond and report should a situation arise.
 Youth Protection Guidelines: Training for Adult Venturing Leaders—Designed to give guidance to the leaders in our teenage coed Venturing program. Supervision and relationship
- issues have a different focus regarding personal safety with this age group.

 It Happened to Me—Developed for Cub Scout—age boys from 6 to 10 years old and their parents. It addresses the four rules of personal safety: Check first, go with a friend, it's your body, and tell.
- A Time to Tell—A video for Boy Scout-age boys from 11 to 14 years old—the target group for most molesters. It stresses the three R's of youth protection: Recognize, Resist, and Report.
 Youth Protection: Personal Safety Awareness—Developed for youth ages 14 through 20 in the coeducational Venturing program. It deals with issues pertinent to this age group.

The Boy Scouts of America has adopted these policies primarily for the protection of our youth members; however, they also serve to protect our adult volunteers and leaders from false accusations of abuse.

National Parent Initiative

6. Help in at least one support role during the year.

The National Parent Initiative has been designed to increase youth and parent recruitment, retention, advancement, participation, dedication, and a passion for Scouting. Your involvement and commitment is essential to the success of your child's Scouting experience. We encourage the parents (guardians) for each child to:

3. Be part of their unit's program—both weekly meetings and outings. 5. Coach them on their advancement and earning of recognition awards.

2. Go to and observe their meetings. 4. Support the program financially.
